

GLENDARUEL VILLAGE HALL

HEALTH AND SAFETY Statement

1st October 2021

Our policy is to:

- a) Provide healthy and safe conditions for the use of the Community Asset 'The Glendaruel Village Hall'
- b) Keep the village hall and its associated equipment in a safe condition for all users.
- c) Provide such advice and information as is necessary for Management Committee members, hirers, users, and other visitors.

It is the intention of Glendaruel Village Hall Management Committee to comply with all relevant Health and Safety legislation and to act positively where it can reasonably do so, to prevent injury, ill health or any danger arising from use of the Village Hall.

It is the duty of all hirers, users, and other visitors to take care of themselves and others and to co-operate with the Management Committee in keeping the premises safe and healthy

It is the responsibility of hirers to ensure that adequate safeguards are in place to protect the well-being of children and vulnerable adults to ensure the safety of their users during their hire.

Should anyone using the hall come across a fault or damage within the Building and its equipment which might cause injury and cannot be rectified immediately they should inform the Chair or the Bookings Secretary, as soon as is reasonably possible in order that the matter can be addressed.

We welcome all users and strive to open the Hall as a safe Community Space.
